## SAFETY DATA SHEET

٦

Harmful if swallowed May cause an allergic skin reaction. Causes eye irritation. May cause allergy or asthma symptoms or breathing difficulties if inhaled. May cause respiratory irritation.					
May cause drowsiness and dizziness.					
Causes damage to organs through prolonged or repeated exposure (central nervous					
system, respiratory organ, gastrointestinal tract).					
PRECAUTIONARY STATEMENTS					
[Prevention]					
Do not handle until all safety precautions have been read and understood.					
Keep away from heat, hot surfaces, sparks, open flames and other ignition so smoking.	urces. No				
Keep container tightly closed.					
Avoid breathing dust/fume/gas/mist/vapours/spray.					
Wash hands thoroughly after handling.					
Use only outdoors or in a well-ventilated area.					
Wear protective gloves/protective clothing/eye protection/face protection.					
[Response] IF SWALLOWED: Call a POISON CENTER/doctor if you feel unwell.					
IF ON SKIN: Wash with plenty of water and soap.					
IF INHALED: Remove person to fresh air and keep comfortable for breathing.					
IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if					
present and easy to do. Continue rinsing.	,				
Get medical advice/attention if you feel unwell.					
If skin irritation or rash occurs: Get medical advice/attention.	-				
If eye irritation persists: Get medical advice/attention.					
If experiencing respiratory symptoms: Call a POISON CENTER/doctor.					
[Storage]					
Store container tightly closed in cool/well-ventilated place.					
[Disposal]					
Dispose of contents and container in accordance with regulation.					
2.3 Other hazards					
Results of PBT and vPvB assessment					
PBT: Not applicable.					
vPvB: Not applicable.					
SECTION 3. Composition/information on ingredients					
3.1 Chemical characterization: Mixtures
