FAST AND EASY

Save chairside time when finishing and polishing all composite restorations with **OneGloss**. When used on the slow speed with water spray; a firmer pressure will remove composite while softer pressure will polish to a satin finish.

Finish and polish in one step.

Lasts longer than the competitors.

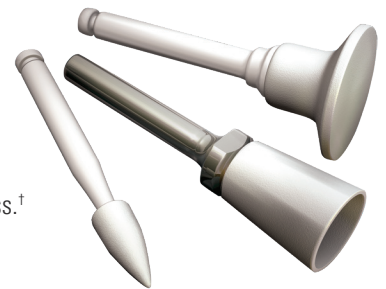

Does not scratch enamel.

PROVEN QUALITY AND SUPERIOR VALUE

When compared to Enhance®, the leading competitor, **OneGloss PS** is rated much higher; finishing and polishing more restorations before showing any signs of deterioration.* Even better, **OneGloss PS** offers 25% more product for about 20% less.†
